

Newstead After School Care

Operating Hours

Newstead ASC is open on every weekday that the school is open for instruction from the hours of 2.35pm until 5.30pm.

Charges

\$7.50 per hour for booked children

\$9.00 per hour for casual bookings

Late charge will apply after 5.30pm.

Food

Afternoon tea is available and the children are provided with a selection of healthy sandwiches and fruit. On occasions we have pancakes, pikelets, crumpets or toasted muffins. Water is the only drink available.

Any allergies relayed through the Enrolment Form are adhered to.

Homework

If parents and caregivers give permission children have the opportunity to do homework for approximately 15 minutes. We usually partake in this on Monday's and Tuesday's as long as staffing allows. Parent involvement and support is still encouraged but we do appreciate children and parents may be tired after getting home late and so we have this opportunity available at ASC.

Activities

There are a variety of activities for the students to enjoy. We have indoor games, lego, magnetic tiles, card games, board games and lots of colouring activities. We occasionally have arts and crafts afternoons and make pom poms, melty beads, loom bands or make bracelets. Outside we have bikes, scooters, tennis and frisbee and use of the school's adventure playground, sandpit and the school field. In the summer months we have use of the school pool.

Sun Safe

During terms 1 and 4 students must wear hats. We also make sure that the children have put sunscreen on again when they arrive at After School Care at 2.35pm during terms 1 and 4.

Enrolment Forms

An Enrolment Form must be completed before children can attend After School Care. This is available during ASC hours from the Eureka Room. Copies also available from the School Office.

Any questions, please contact Helen Ulyatt, After School Care Manager.
