

NEWSTEAD AFTER SCHOOL CARE

Charges

\$6.00 per hour for booked children

\$7.00 per hour for casual bookings

Late pick ups \$15 for first 30 mins and \$25 after 6pm.

Food

Afternoon tea is available and the children are provided with a selection of healthy sandwiches and fruit. On occasions we have pancakes, picklets and when the children have baked cakes and biscuits. Water is the only drink available.

Any allergies that are known to the school are conveyed to After School Care.

Homework

Quiet time to do homework is offered on a daily basis from around 3pm for about 20 mins. Parent involvement and support with home learning is still encouraged but we do appreciate children and parents may be tired after getting home late, so we have this opportunity available at ASC.

Activities

There are a variety of activities for the students to enjoy. We have indoor games, lego, ping pong and fuse ball. Outside we have the use of the schools games equipment, the adventure playground, sandpit and the school field. In the summer months we have use of the school pool.

Sun safe

During terms 4 and 1 students must wear hats which is in line with the School policy. Sunscreen will be provided for children. You may provide your child with their own sunscreen if you wish.

An enrolment form will have to be completed this can be obtained from the school office.

Any questions please contact Sarah Jones, After School Care Manager.
