### Newstead School PTA AGM

Our AGM is coming up on **Monday 28<sup>th</sup> May at 7pm**  
 in the Eureka Room.

All are welcome and we would love to hear your opinions and thoughts as to how we can help support our children at this awesome school. And yes, men are very welcome – in fact Richard and Drew would probably appreciate not being out numbered!

**Being a Decile 10 school means that the school gets very little additional money for extra equipment above and beyond the basics.**

Over the past few years the PTA has fund raised and bought:

- Technology for the class rooms, e.g. all the iPads, chome pads, Apple TV's which your children use in class.
- Equipment for the class rooms and sports teams.
- Shade sails over the tennis courts and (soon) the entrance area
- Annually pay \$5000 towards the cost of having teacher aides in the class rooms to help our children with their learning.
- Resources by kitting out the new Tui learn by play area and also (soon) up grading the library area.
- As well as many other items which are too numerous to mention

**We can only do this with your support. Please consider joining the PTA and helping us to support our school. We are needing new members as families move on with their children to their next stage of schooling.**

We have a number of events coming up this term and would really appreciate your support. Helping out with the PTA can range from selling sausages to being on committee, and anything else in between.

## Learn how one phone call could earn our School \$500

Cushla Moore of Bayleys Real Estate has teamed up with Newstead Model Country School to offer a fantastic referral system.

If you know of anyone thinking about selling their property in the Waikato, let Cushla know and if she lists the property for sale she will make a \$250 referral donation to our school.

Once the property successfully sells she will contribute a further \$250 giving us a total donation of \$500!

So, keep Cushla in mind should you hear any of your friends or family talking of selling their residential or lifestyle property, and help our school make the most of this referral offer.

"As a local Newstead resident and with one of my young boys not far off attending Newstead Country Model School, I am excited about the opportunity to contribute to the fundraising efforts of this great school whilst doing what I love"

Reaching Buyers **Others Can't.**

If you're thinking of buying or selling, get in touch and we can discuss what my team and I at Bayleys can achieve for you.
