## School News

**We have had 1 case of Slapped-Cheek occur in our school, please read the following to prevent spread of infection.**

<https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/slapped-cheek>

As slapped cheek is infectious before it is diagnosed, keeping your child home from preschool or school will not prevent the spread of the disease.

If you are exposed to slapped cheek, try to stop it spreading by making sure you and your children:

\*wash your hands frequently

\*cover your nose and mouth when coughing or sneezing

\*do not share food, eating utensils and drink bottles.

Also try to avoid contact with pregnant women and people who have low immunity to disease.

## Learn how one phone call could earn our School \$500

Cushla Moore of Bayleys Real Estate has teamed up with Newstead Model Country School to offer a fantastic referral system.

If you know of anyone thinking about selling their property in the Waikato, let Cushla know and if she lists the property for sale she will make a \$250 referral donation to our school.

Once the property successfully sells she will contribute a further \$250 giving us a total donation of \$500!

So, keep Cushla in mind should you hear any of your friends or family talking of selling their residential or lifestyle property, and help our school make the most of this referral offer.

"As a local Newstead resident and with one of my young boys not far off attending Newstead Country Model School, I am excited about the opportunity to contribute to the fundraising efforts of this great school whilst doing what I love"

Reaching Buyers **Others Can't.**

If you're thinking of buying or selling, get in touch and we can discuss what my team and I at Bayleys can achieve for you.
