Friday 1st June 2018

Dear Parents, Students and Community,

This week we had our PTA AGM. I'd like to take this opportunity to thank last year's PTA for all the hard work they put into raising money for our school. We raise between \$16,000 - \$20,000 a year which, for a small school, is phenomenal. This money is used for new learning resources, the school environment, and classroom equipment. I'd especially like to thank Amanda Briston, our previous PTA Chair and Michelle Calcott, our previous PTA Treasurer, for everything they have done. The staff and the children have really appreciated it.

We will be running two Mathematics Workshops for parents on Monday 11th June (parents of Yr 0,1,2, and 3 students) and Tuesday 12th June (parents of Yr 4,5 and 6 students) between 1.30 - 2.30 pm in the Eureka Room. Anna MacDougall, from the Institute of Professional Learning, will lead these workshops and will be talking about the professional development that is currently going on in our school, how you can help your child at home, and new developments in Mathematics. We'd love for you to come along.

I will be away next week. I've been fortunate enough to be selected to go with a group of Waikato Principals to Melbourne where we will be visiting a range of highly effective schools and picking the brains of the School Leaders about what is working well for them. June Malcolm will be leading the school in my absence.

Have a great long weekend everyone.

Nga Manaakitanga

Drew Campbell - Principal

On Saturday Newstead Strikers took on Hamilton West School. The opposition arrived bright and early running through warm up drills. Stand in coach Sean Brown warmed the Strikers up and got them to the field. Both teams scored in the first half with striker Emily Devitt scoring for our team. The second half was hard fought with a number of close strikes by the Strikers. Finally Hera Douglas put away the Strikers second goal quickly followed by a smoking goal from Jerome Jack. The whole team played amazing and had heaps of fun. Looking forward to the first round game.

Only 1 soccer game was played due to wet fields:

Soccer - Saturday 26 May Results	
Newstead Strikers – 10th Grade (Yellow) POD – Jerome Jack

School News

We have had 1 case of Slapped-Cheek occur in our school, please read the following to prevent spread of infection.

<https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/slapped-cheek>

As slapped cheek is infectious before it is diagnosed, keeping your child home from preschool or school will not prevent the spread of the disease.

If you are exposed to slapped cheek, try to stop it spreading by making sure you and your children:

*wash your hands frequently

*cover your nose and mouth when coughing or sneezing

*do not share food, eating utensils and drink bottles.

Also try to avoid contact with pregnant women and people who have low immunity to disease.
