Friday 3rd August 2018

Dear Parents, Students and Community,

As you will probably be aware, teachers, who belong to the NZEI Union, will be striking on Wednesday August 15th. The Board of Trustees will be meeting early next week to finalise plans for how this work at our school. A letter will go out to the community, from the Board of Trustees, early next week outlining details for you in regards to school closure. We have appreciated the support already conveyed to us from the community so thank you in advance for your continued support.

The PTA will be holding a Working Bee tomorrow from 1 - 4 pm. A flyer went out earlier in the week about this and there have been notices on our school Facebook page. Thank you to those of you who have already offered help for the afternoon. We'd still love more help so if you have some spare time this Saturday afternoon, please come on down to lend a hand.

All the best for the weekend!

Nga manaakitanga.

Drew Campbell - Principal

TE REO LESSONS TERM 3

Kia ora everyone, after a successful term of evening Te Reo Maori lessons for our community we are in a position to offer them again next term. Please email me if you are interested in attending. It is likely that the classes will continue to be on a Wednesday evening for one hour beginning between 5.30-6.00. The cost has not been confirmed yet. These classes are designed for the beginner to intermediate level learners and are taught in a very nurturing environment. There is no commitment at this stage – just wanting a possible idea of numbers. Email Whaea Nikki if you have any questions nikki@newstead.school.nz

MUSIC LESSONS AT SCHOOL

We are very fortunate to have a fabulous music teacher available to come into school to teach piano, singing and theory lessons. 2 spaces are currently available. Beverley Pullon holds a Doctorate in Musical Arts. She has been teaching for many years and has a vast amount of experience to pass on to our children. Lessons are currently available on Monday during the school day.

For more information please contact **Beverley** directly on **0274257235**, or speak to Amanda Briston, Thomas and Lucy's mum.

WEEKLY TRAFFIC UPDATE

RUAKURA ROAD AND SH26 ROUNDABOUT UPDATE

Week Starting 30/07/2018

What's happening this week — beginning 30 July

SH26 roundabout construction

With the roundabout now functional under traffic management, the *Stabilising along Ruakura Road* team can now focus on constructing the centre of the roundabout and finishing the kerbs, footpaths and landscaping. Concrete trucks will be on site to begin pouring the concrete collar (rim of the roundabout). The team will carry out topsoiling and general clean up when possible throughout the coming weeks.

Ruakura Road construction

The team completed stabilising works in between the roundabout and the entrance to the Old Macdonald Rural Education and Care Centre last week. Testing will take place in this area this week with the team running rock along the road from the roundabout heading north.

Joseph Rosendaal, Traffic Manager for Hamilton Section

What's the plan for the next few weeks — beginning 6 August

Construction at the roundabout continues. We expect to be preparing and pouring the kerb near the LIC/Dairy NZ entrance next week. Footpath construction and landscaping will continue for the next few weeks. We will also look to start shaping and landscaping the centre of the roundabout. Once the centre of the roundabout is complete we will be able to place the final seal at the roundabout. The team be working on driveway accesses affected by the works on SH26 and Lissette Road. One of our team will come and see you if this is going to affect you.

If all is going to plan, the last utility relocations should begin next week in the 50m stretch of road north of Old Macdonald Rural Education and Care Centre. These works should take a week to complete. Once the utilities have been relocated we can then complete the last section of drainage and begin laying and stabilising the *Laying the seal at the SH26 Roundabout* rock foundation. Kerb and footpath construction will continue where possible as well as landscaping and general clean up works.
