TE REO LESSONS TERM 3

Kia ora everyone, after a successful term of evening Te Reo Maori lessons for our community we are in a position to offer them again next term. Please email me if you are interested in attending. It is likely that the classes will continue to be on a Wednesday evening for one hour beginning between 5.30-6.00. The cost has not been confirmed yet. These classes are designed for the beginner to intermediate level learners and are taught in a very nurturing environment. There is no commitment at this stage – just wanting a possible idea of numbers. Email Whaea Nikki if you have any questions nikki@newstead.school.nz

WEEKLY TRAFFIC UPDATE

RUAKURA ROAD AND SH26 ROUNDABOUT UPDATE Week Starting 13/08/2018

What's happening in the week beginning 13th August

SH26 roundabout construction

The concrete collar (rim of the roundabout) was successfully poured last week. We also placed another layer of seal at the western end of the roundabout on SH26 heading towards Morrinsville. This week, the team will focus on preparing the footpaths around the roundabout so we can start pouring them next week. We expect to be laying chip seal on Lissette Road in the next few weeks.

Ruakura Road construction

Kerbs were poured outside LIC and Old Macdonalds Rural Education and Care Centre last week. Thanks for your patience while we worked on the local driveway accesses. Cement stabilisation will continue this week from the area north of the Vaile Road/ Davison Road Intersection towards the Old Macdonalds Rural Education and Care Centre. This should begin on Thursday. We expect this to take 4-5 days. Stop/slow will be in place during these works so expect delays. We will then seal this section of the road—stop/slow will be in place for these works also. Landscaping works will continue along the edge of the road.
