Friday 17th August 2018

Dear Parents, Students and Community,

Firstly, thank you to everyone who has offered their support to myself and the rest of the staff at this current stage of industrial relations. We are hopeful of a positive outcome for education in New Zealand soon.

As you may be aware, we have recently refined our school's vision to, **'An inclusive, future focused environment where everyone is empowered to learn.'** We are currently in the process of gaining a shared understanding with the community and students of what this means to us and what it could look like in our school. We have put a google form link on the front page of our website and on Facebook that we would appreciate you filling out. The google form has a summary of the main ideas the staff came up with and provide you with the opportunity to either comment on these and/or add to them. We are currently working on our three year strategic plan that will help drive this vision.

A notice went out yesterday regarding our school's annual cross country which will be held next Friday 24th August. We have decided today to **not** include the gully walk way as part of the course due to health and safety reasons. We look forward to seeing as many of you as possible here at school next Friday to cheer and encourage all the runners.

Have a great weekend.

Nga manaakitanga

AGRICULTURAL DAY – Thursday 18th October 2018

Dear Children and Parents

Plans are underway for our Agricultural Day, which will be held on **THURSDAY 18th OCTOBER 2018**. This year we are excited to offer a digital entry form.

There are some great benefits to children who take part in Agricultural day with both the animal and arts and crafts sections. The day provides the children the opportunity to get crafty with the different Arts and Crafts sections we have on offer this year along with the responsibility of rearing a Lamb, Kid goat or house pet. Its a great way for children to develop their self reliance and responsibility skills while also broadening their crafting skills along with their knowledge and understanding of animals. All children attending school will participate in or contribute to the day.

We also would like to encourage any preschool children who would like to take part in the day to bring along a Lamb or Kid goat.

Details regarding [Rearing a Lamb or Kid and the Arts and Crafts section](#) are available [here](#)

This year you only need to complete one electronic form to submit your entry for all sections.

[To access the entry form please click here](#)

Entries close on Friday 7th September. No late entries will be accepted this year.

If you would like any more information about raising an animal, a resource booklet is available on the [Waikato A & P website](#). An information day will be held at the school in a few weeks for the children. Parents are also welcome to attend. At this time the children will receive an information booklet about what is needed and how to care for their animal. More details regarding the date and time of this event will follow in the next week.

Lambs available for Ag Day

This year we have been fortunate enough to have the Wilke family offer up approx 30 lambs. They are happy for you to borrow these and look after them until after Ag day or Group day if you so choose, and then return the lambs back to the Wilke family. This is a great opportunity to have a lamb for a short time without the pressure of finding something to do with it once ag day is over. Contact Wendy on 07 889 1405 for more information.

Please contact **Marg or Steve Clark**:

- If you would like to have a lamb or kid goat but don't know where to get one
- If anyone has or knows of anyone who has animals that they would like to sell or lend to children
- Parents if you would like to help in any way with Agricultural Day.

Kind Regards

THE PTA NEED HELP!!!

Are you able to volunteer half an hour, or an hour, of your time on **Tuesday 28th August** between **11.30am and 1.30pm**?

We are needing parent volunteers to man the Sausage Sizzle BBQ at the Country Schools X-Country over the course of lunch time on the Tuesday.

This made over \$200 last year and this year all money made will be put towards learning needs for our children.

If you are able to help then please contact Amanda on 0276305922 or catch up with Amanda, Ariana or Amy at school pick ups.

CROSS COUNTRY SEASON

The Cross Country season is nearly upon us.

Please note - All children must wear footwear suitable for running.

This year the cross country events will be run around the school and next door on the Don's property due to Micoplasma Bovis issues. Spectators are asked to stay within the school grounds. We will need at least 10 marshals for our course as we are hoping to use part of the gully for the event.

FRIDAY 24 AUGUST

1.00pm – School Cross Country (for all children).

TUESDAY 28 AUGUST

11.30am – South East Hamilton Country Schools Cross Country at Newstead (for competent Y3 and all Y4, 5 and 6 who are encouraged to participate).

FRIDAY 7 SEPTEMBER

S.E Hamilton Schools Cross Country, 11.30am at Porritt Stadium, (selected Y4, Y5 & Y6).

We are hosting two cross country events this year and they are being held within just a few days of each other.

It is important with so much to organise, that **all of the forms** are returned by the required date. There is not the time in between events to ask for consent.

Runners will have to qualify for the South East Hamilton Schools event. In anticipation, if your child is one of the **SIX** Newstead qualifiers at the Country Schools event they will be entitled to run on **Friday 7 September**. We have a restriction on numbers as more schools are involved that day.
