Friday 1<sup>st</sup> November 2018

Dear Parents, Students and Community,

Our senior students have been playing in the annual Country Schools Tee Ball Competition held at Tauwhare School today. It's great that all our senior students get the chance to participate in this event. We will be sending two teams to the bigger South East Hamilton Schools Tee Ball Competition next Friday.

We said goodbye to our Teacher Education Students today. They have been part of our school fabric all year, coming in on Thursdays to learn about teaching. They have recently been on a three week practicum with us. The students have been great all year and we have really enjoyed having them in our school.

This week Tui Class began their weekly Forest School down in the clearing in the gully. This is an opportunity for them to explore the outdoors, build and make things, and learn to work with each other. They had so much fun and the levels of engagement were huge.

Today you should have received a letter notifying you of the upcoming Primary School Teachers Strike that is happening on Tuesday 13th November. We do genuinely appreciate the continued support we're getting from our community over this time and thank you for your patience. We're really hoping that things will get sorted soon and I'll keep you updated on any developments.

There was also a letter sent out asking parents to fill out our annual community survey. It can be found on the following link [Community Survey](#). This survey really helps us identify if we're on the right track and gives us good ideas on how we can build on what we're doing. We'd appreciate as many responses as possible.

Have a great weekend everyone.  
Nga manaakitanga.

Drew Campbell - Principal
