Friday 29th March 2019

Dear Parents, Students and Whanau,

Congratulations to our team of swimmers who represented Newstead School at the annual South East Hamilton Schools Swimming competition held at Tamahere School yesterday. Harry Kilmister, Jacob Keightley, Laiton Stockdale, Leo Ellison, Julian Syben, Bella Cochrane, Carys Lawton and Ashley Calcott all made the finals which is a fantastic achievement. The results of the interschools and last week's country schools will be in the newsletter. Thanks to Liam Carroll for organising this.

I managed to get down to the gully to see our young children from Tui and Tiwaiwaka participating in 'Forest School' last Tuesday. Forest School is a fantastic opportunity for our young children to learn and try new things out in the great outdoors. The children made damper, built huts and made tiny rafts that could float down the stream. We're always lucky to have a group of parents and our wonderful teacher aide Gina Walden helping out.

Our senior school has been using the 'House of Science' boxes with their classes over the last few weeks. These are boxes with lessons and most importantly resources that the children can use. The kids are loving it! A new box comes to school at the beginning of each week and is picked up at the end of the week. House of Science and Forest School are examples of how we are trying to give children a range of opportunities and contexts to learn and grow.

Have a great weekend everyone. Nga manaakitanga.

Drew Campbell - Principal
