Friday 10 May 2019

Dear Parents, Students and Community,

The winter sports season is underway and our soccer teams played last weekend. Hockey and Netball will get underway next week. We also have a number of students playing rugby for their respective clubs. We wish all the children, whoever they're playing for, the best for the season and again, a massive thank you to the coaches and managers who have given up their time.

Yesterday our Year 2 - 6 students had training in essential physical education skills from Squash Waikato. The kids will be doing this programme weekly and we've been lucky enough to receive a grant to purchase the necessary equipment.

A letter will be going out next week about an upcoming Teacher Only Day on Friday 14th June (Field Days Friday). Our staff will be joining teachers from our Kahui Ako (Community of Learning) schools for a day of professional development. School will be closed for the day.

Today we had a mihi-whakatau (welcome) for our two Third year teacher trainees and new families to the school. It's really important to us that all new families have a sense of belonging. Whakatau's are a great way of doing this.

## Principals News Continued...

It's been really encouraging to see how much money has been raised so far for the Fun Run, which will be held next Saturday 18th May. The money raised will go towards our new Fitness Trail that will be installed later this year. We're aiming for \$10,000 and have already raised over \$3,000. Historically we've raised most money in the week leading up to the event so we're hopeful of reaching or getting close to our target.

A reminder that you can pick up your children anytime between 2.35pm - 2.50pm. Our carpark is quite full as our roll is very high for this time of the year so it would help with congestion if some parents come closer to 2.50pm. Thanks for your cooperation with this.

Have a great weekend everyone.

Nga manaakitanga.

Drew Campbell - Principal

## PTA Fun Run 2019 \*18<sup>th</sup> May\*

As you will be aware we are holding the School Fun-Run as one of our major fundraising events this year! All funds raised will be pledged to a fabulous new school fitness trail (details below). The event will be held on the afternoon of **Saturday the 18<sup>th</sup> May. That's only 1 week away.**

This year we are running a Fun Run with a twist! In keeping with the fitness trail we are fundraising towards – the course this year will provide a fun combination of running, obstacles and challenges at set intervals around the school field. The children can still seek sponsorship per 'lap'. It will be fun and achievable! This is a sponsorship based fundraiser, and we're hoping to raise \$10,000!

### New School Fitness Trail

Several initiatives are being proposed for 2019/20 aligned with our school vision of inclusivity, future focus and empowerment. One priority for the school is a Fitness Trail. Outdoor play contributes to the health and well-being of children and young people. Playgrounds provide an opportunity for children to learn by challenging themselves physically and mentally. All students at Newstead School will benefit from improved playground facilities:

- Children get the opportunity to develop their fitness, strength, agility, balance and confidence.
- Research has shown that when children have the opportunity to move regularly, their focus and attention improves.

A concept drawing is shown below to give the school community an idea of the proposed design. A budget of \$36,700 has been established to identify all potential costs ranging from equipment purchase, installation, service checks to advertising for our potential sponsors.

The PTA has pledged to fundraise \$24,000 to contribute towards the Fitness Trail. \$14,000 of this figure has already been raised in 2018. The upcoming School Fun Run aims to raise a further \$10,000 towards this initiative.

The remaining \$12,700 will be sought by way of grants or other community funding opportunities. Fingers crossed, we hope to have fundraised enough money to commence construction during the Term 3 holidays.

### PTA Annual General Meeting

**Our AGM will be held on Monday the 13<sup>th</sup> May at 7pm in the Eureka Room. Wine and nibbles will be provided.**

We will be celebrating our successes from 2018, electing the PTA Chairperson, Secretary and Treasurer for the coming year and discussing our fundraising goals and events for 2019.

This is an opportunity for you to have your say, or even better jump right in and join the committee. Hope to see you there!

**MAAORI VS MAORI**

In te reo Maaori, either a macron (Māori) or a double vowel (Maaori) is used to indicate pronunciation of a long vowel. Sport Waikato follow the Waikato-Tainui preference and use a double vowel in our communications.

# Star Soccer Term 2 Registrations

With a very busy end to April which included the end of Term 1 Holidays, Easter and ANZAC Day, you may have missed that our Star Soccer "Play Like The Stars" coaching program for Term 2 is still accepting registrations.

Our updated curriculum includes:

- BALL MASTERY [Master your first touch; Dominate every 1 v 1 situation (regardless if you are attacking or defending); Shielding and turning on the ball]
- BALL STRIKING [Passing and Shooting]
- Loads of small sided games and the new Star Skillzone Challenges.

The graphic features a dark blue header with the text 'PLAY LIKE THE STARS' in white, with a star icon replacing the letter 'A' in 'PLAY' and 'STARS'. Below the header is a green background with white text listing the curriculum: 'BALL MASTERY' (with sub-points: '\* DOMINATE THE 1 V 1', '\* MASTER YOUR FIRST TOUCH', '\* SHIELDING & TURNING'), 'BALL STRIKING' (with sub-points: '\* PASSING', '\* SHOOTING'), and 'STAR SKILLZONE : AND MORE'. At the bottom left, it says 'FOR INFORMATION, TIMETABLE AND TO REGISTER VISIT : www.starturfindoorsoccer.com/star-soccer'. On the right side of the graphic is a photograph of a young boy in a green and black soccer uniform, dribbling a soccer ball on a grassy field.

Star Soccer is open for boys and girls.

There are an array of sessions per week for various ability levels, but the number of players per session is limited in order to maintain the high quality of coaching given to the players attending.

Term 2 starts on **MONDAY 29th APRIL 2019** and runs for a total of 10 weeks, finishing on **FRIDAY 15th JULY 2019**.

The sessions are ability based but players will start at a Level appropriate to their age:

Level 1 : 5 to 7 years of age

Level 2 - Level 4 : 8 to 13+ years of age

All sessions last for 60 minutes.

You can view the timetable and make bookings for the program on-line via our web site by clicking [HERE](#).
