Newstead Model Country School BoT Election Results

Dear Parents and Whanau,

We have been notified by the Board of Trustees (BoT) Election Returning Officer that our school received five nominations for the Parent election and one nomination for the Staff election. This equals the number of vacancies required to be filled therefore there is no need to have an election.

The following people therefore were duly elected:

Natasha McDean - re elected
Peter Briston - re elected
Hywel Jones - re elected
Daryl Horn - new
Nephi Baucke - new
Lynne Bracey - re elected staff rep

I would like to take this opportunity to thank the outgoing BoT for their hard work, dedication and expertise they brought to the table. Having an effective BoT who are committed to the well being and learning of students is vital for a school to be effective, and we have certainly had that. I would like to particularly thank Mark Kilmister and Tim Walden who both decided to not put their names forward for re election. Mark has been heavily involved in the property side of things over the last few years, especially the Tui Class extension and the new effluent field. Tim led the policy committee and used his 'lawyer' skills to great effect in that area.

The new BoT will take 'office' as from this Friday 31st May 2019.

Kind Regards

Drew Campbell - Principal
