Thursday 13th June 2019

Dear Parents, Students and Community,

Our newsletter has come out on Thursday this week as we have a Teacher Only Day on Friday. Our school has been part of the Hillcrest Kahui Ako, a group of eight schools including Tamahere, Matangi, Silverdale Normal, Hillcrest Normal, Tauwhare, Berkley Normal Middle, and Hillcrest High School, now for five years. It's basically a large community of learning, where we work closely with each other on matters relating to education. It's been great for our school because we've been able to draw on the wisdom and expertise of nearly 200 educators, something we're unable to do with a small staff. Our Teacher Only Day is a professional development day where we'll have a number of guest speakers and workshops available. These include Dr Linda Bendikson, Nigel Latta, Ant Backhouse, Lane King, Laughton King, Rob Waddell, and Kimai Huirama. We chose Friday 14th June for this day as it's Field Days Friday, a day when many of our students are not present at school.

This week we have started rolling out the 'Learning Dispositions' we are wanting our students to develop while at Newstead. Learning Dispositions are mindsets and actions that help and show 'strong learning'. You will notice over the next while that we will be referring to Learning Dispositions more and more when we're working with the children. They can be used right across the curriculum and more importantly, all children have the power to be strong in them.

Our key Learning Dispositions are:

- Curiosity
- Reflective
- Being involved
- Resilience
- Perseverance
- Expressing ideas and feelings
- Problem solving and questioning

A reminder that our Winter Sports Day is next Wednesday 19th June. We are sending soccer, netball, hockey and rugby teams.

Have a great weekend everyone!

Naku noa.

Drew Campbell - Principal
