Friday 5th July 2019

Dear Parents, Students and Community,

I can't believe it is the end of term two! It didn't seem that long ago we were welcoming everyone back to school for the beginning of the academic year. We've had another action packed term full of new learning, new experiences and new challenges. As a staff, we're learning all about how the brain learns. Our challenge is to put our new knowledge into actions in the classrooms so children can have the best environment to learn in. One fact we've learnt is how the brain grows stronger with new challenges. The good news is that our brain can grow stronger at any age. We're using this knowledge to encourage our kids to try new things and take themselves out of their comfort zone.

Apologies for putting the wrong date for the Quiz Night in last week's newsletter. It is Friday 3rd August. It promises to be a great night.

We've been enjoying our ongoing Matariki celebrations this week. Tui, Tiwaiwaka and Kereru classes put on a concert along with kai for all the children.

Thank you to everyone who came to school yesterday for our Learning Conferences. It's great to have that opportunity to talk about your child's learning. Remember that you are more than welcome to make an appointment with your child's teacher throughout the year to discuss their learning in more detail. These Learning Conferences are really a snapshot of how they are going.

Our school cross country is at the end of week four next term so some of you may like to start your training in the holidays. We also have gymnastics, poems and speeches and our Arts Week, which is held every second year.

Have a fantastic holiday.

Naku noa.

Drew Campbell - Principal

We are still very keen to offer specific goalkeeper training to Youth (8 - 14 years of age) goalkeepers.

These sessions will be run by Just4Keepers' Kim Brierley.

He was previously the youth goalkeeping coach to the WaiBop Federation.

Kim has also coached the National Women's league Goalkeepers and is also the goalkeeping coach to the Northern 2nd Division side Cambridge FC.

Previous to this role, he was with Ngarauwahia in their Northern league coaching group so has extensive experience and knowledge that he now wants to pass onto our young and elder keepers here at Star Turf and is looking forward to getting started.

Kim held OFC Level 2 goalkeepers and is also classed a FIFA goalkeepers instructor having attended a FIFA goalkeeping workshop with New Zealand Football.

He is also a goalkeeping coach educator with NZ Football due to his previous involvement with WaiBop.

The cost will be \$20 per session.
