

Arts and Crafts Day - Friday 18th October

Agriculture Day - Saturday 19th October

Dear Children and Parents

Plans are underway for our Arts and Crafts and Agriculture days, which will be held on

Friday 18th October and Saturday 19th October.

There are some great benefits to children who take part in Agricultural day with both the animal and arts and crafts sections. The day provides the children the opportunity to get crafty with the different Arts and Crafts sections we have on offer this year along with the responsibility of rearing a Lamb, Kid goat or house pet. Its a great way for children to develop their self reliance and responsibility skills while also broadening their crafting skills along with their knowledge and understanding of animals. All children attending school will participate in or contribute to the day.

We also would like to encourage any preschool children who would like to take part in the day to bring along a Lamb or Kid goat.

Details regarding [Rearing a Lamb or Kid and the Arts and Crafts section](#) are available [here](#)

This year you only need to complete one electronic form to submit your entry for all sections.

[To access the entry form please click here](#)

Entries close on FRIDAY 6th SEPTEMBER. No late entries will be accepted this year.

If you would like any more information about raising an animal, a resource booklet is available on the [Waikato A & P website](#). An information day will be held at the school in a few weeks for the children. Parents are also welcome to attend. At this time the children will receive an information booklet about what is needed and how to care for their animal. More details regarding the date and time of this event will follow in the next week.

Please contact **Marg or Steve Clark**:
