Friday 27th September 2019

Dear Parents, Students and Community,

Thank you to everyone who participated and helped in last night's Arts Festival. It was a celebration evening for children from our Kapa Haka and Choir along with children who receive formal lessons in music and/or singing and our speech finalists. The students ran the show and everyone had a great time. The Arts is something we take seriously as a school and it's something we would like to build on in the years to come. Special thanks to Nikki Woodand-Douglas, June Malcolm, and Liam Carroll for organising the event and to Emily Devitt and Brennon Brown for being MC's.

Yesterday our school hosted seventeen teacher trainees from Silverdale Normal School. They did a swap for a day with our own teacher trainees. They loved being at school and mixing with our students.

Well done to our Year Six Speech Finalists who participated in the Country Schools Speech Finals at Tauwhare School. Jacob Keightley, Kiera Lloyd and Emily Devitt all performed admirably. Congratulations to Jacob who received a 3rd placing.

A reminder that our School Flower Show and Arts and Crafts Day is on Friday 18th October and our Ag Day is on Saturday 19th October. All these events are super important to our school and we'd love to see as many people as possible participating and/or attending these. Marg Clark, Tracey Monehan, and the PTA are working really hard behind the scenes to get this up and running. Please put the dates in your calendar.

The children have set up a Forest School down the back of our field that is used at morning tea and lunch times. It's really great to see our kids doing this kind of play as it's so good for their development around communication, creativity, negotiation, and collaboration. For the kids, it's just good fun. There are some rules that need to be followed and boundaries of where and where not to go. We're fortunate to have an environment that enables us to do this.

On a lighter note, some of our senior students participated in the inaugural 'Pi Competition' for maths. The competition was to see who could recite the most numbers in 'pi'. Of course the contestants had to eat some pie before the competition started to get them in the right mind frame. Well done to the winner, Jacob Keightley, who recited the first 74 digits in order. I'm only up to 3.14 so I have a way to go.

Have a great holiday everyone. We have a busy fourth term ahead of us but hopefully the weather will be a bit kinder to us than this week.

Ngā manākitanga.

Drew Campbell - Principal

Did you know that the ending 'ed' has three different sounds? Jumped has a 't' sound, crawled has a 'd' sound and painted has an 'id' sound. If you hear any of these sounds at the end of a word and it happened in the past you need to add the suffix 'ed'.
