Dear Parents, Students and Community,

Thank you to everyone who came along to participate in and support our annual Ag Day last weekend. It was great to see so many families come along to the event. We had quite a few entries this year which was pleasing. It was also great to see lots of the community who didn't have animals come along to take part in the games that were on offer and to also check out the Arts and Crafts Competition entries. The PTA are wanting to make this day more of a community event. Big thanks to Marg Clark for organising and running the Ag Day, Tracey Monehan for the Arts and Crafts Competition, Tony Lee for the music, the PTA for running the Games Alley and food, all of our sponsors, and to all the other helpers on the day.

Some of our students went on to participate in the Country Cluster Group Day which was held at Tauwhare School this year. Matangi School took out the Group Day trophy however we did get placings and the kids had a good time.

Our Junior children participated in the annual Country Schools Junior Tabloids yesterday. This was held at Tamahere Model Country School. The kids had the opportunity to play a variety of games and had a great time. Thank you to all the parents who provided transport and came along to support.

This week we received notification from Chris Bowen that she will not be returning to teach at Newstead next year. We wish Chris all the best for her future endeavours and thank her for everything she's done for our school over the last 10+ years.

Have a great weekend everyone and Go the All Blacks!!

Ka nui tēnā mō tēnei wā.

Drew Campbell - Principal

Mathematics is all around us, but we need to help our children notice it. Try skip counting in 2s using letterboxes while you go for a walk. Sharing food at home using fractions. Calculating change at the shops when you pay in cash. Saving up for special things and keeping a tally of how the savings are going. Children love being involved when they can see a real purpose.

I KNOW, I THINK, I WONDER

It's that time of year again and next Thursday we are hosting our annual community 'Light Party' for kids aged up to 12 years.

Last year we had a great response with over 1000 people coming along having a fun night. We believe this is a great, safe, fun, family friendly event and something we put on for the community, free of charge.

There's a parents café, bouncy castles, balloon twisting, candy floss, sausage sizzle, games, and more.

Guitar ukulele drum
lessons available now at
Newstead School

**Would your child like to learn to play a musical instrument?
Enrol your child in the music lessons they have always wanted to do.**

MusiqHub is excited to be able to provide top quality guitar, ukulele and drum lessons for students at Newstead Model School in Term 4.

Did you know students who learn a musical instrument get better marks in other subjects? And that music helps with brain development?

Research has shown *“learning a musical instrument is associated with better cognitive skills and school grades as well as higher conscientiousness, openness, and ambition.”*

Sign your child up to learn a musical instrument and they’ll learn skills for life, and not just musical ones. They’ll acquire increased coordination, memory, and confidence, improved concentration and self expression, and many other valuable traits.

CARL WATKINS - MUSIQHUB MANAGER

Carl is a musician with over 20 years experience in the music industry, as a writer, performer and recording artist. He has a Master of Music, specialising in composition, and has performed in NZ and Australia. Carl has been tutoring for MusiqHub for over 5 years. Last year he bought his own franchise and is enjoying the challenge of delivering top quality music lessons to Waikato primary school students. Carl is a trained vocalist, who taught himself to play guitar, ukulele and piano. He writes for orchestra and rock ensembles and is an avid actor, having performed in major productions in all of Hamilton's major theatres.

Lessons are 1/2 an hour long. Keyboards are provided at lesson time but students are required to have their own keyboards for home practice. Guitar and ukulele students are required to have their own instruments.

Costs (GST inclusive). Small Group Tuition \$18.00 - \$22.00 per lesson on a term-by-term basis. Individual lessons \$31.00 per lesson on a term-by-term basis (limited availability).

Music tuition books are \$33.00 each. To register or for more information, contact us via:
