Friday 22nd November 2019

Dear Parents, Students and Community,

Today is our school Athletics Day. The weather has behaved itself and we're hoping for a great day for the kids. We've all enjoyed getting outside over the past few weeks and giving all the activities a go. I love the attitude of the kids at our school.

The end of the year is fast approaching. Having a nine week term has meant we've had to condense our programme. We're looking forward to our Yr 4-6 sleepover which will now be held on Wednesday 4th December. We've made a change to the day so it didn't clash with the City Schools Athletics. A notice about this has gone out today.

A reminder that our final day of school this year is the 13th of December. We finish at 12.00pm and there is no afternoon bus service that day. Our End of year assembly is on Thursday 12th December starting at 1.00pm at the Vaile Road Car Club. Children will be transported to the Car Club by bus. At the end of the assembly, children who are not going home by school bus will need to be picked up from the Car Club. A note about this will be sent home over the next few weeks.

Have a great weekend everyone.

Ka nui tēnā mō tēnei wā.

Dear parents and Care-givers

The Ministry of Social Development (MSD) have commissioned The Out of School Care Network (OSCN) to carry out research to better understand how before and after school care and holiday programmes services are meeting parents' and children's needs, benefiting our communities, and where improvements could be made to OSCAR's responsiveness, service accessibility and the experiences it offers to children.

Point & Associates have been engaged for the project — they're an independent research organisation, with a lot of experience in community sector research and evaluation. The results will be reported anonymously to the MSD, OSCN. A brief report will be shared through OSCAR providers.

The survey takes about 10 minutes to complete. We ask for your email address or phone number if you wish to go into the draw to win a one of three \$250.00 "Prezzy" cards. We will not use your contact details for any other reason.

If you have any questions about this research, please get in touch with Julie or Tony at Point & Associates: julie@pointresearch.co.nz or tony@pointresearch.co.nz

This is a very important and exciting opportunity to get a comprehensive view of the need for OSCAR services across the country. The survey opens today and closes at midday on Friday, 7 December. Please follow this link to start the survey: <http://bzz.co.nz/OSCARsurvey2019>

School Holiday Programmes

Old MacDonald's Bush and Farm School Holiday Programme

We are so excited to offer our very popular school holiday programme again!

We are located in Morrinsville, but have transport available from NEWSTEAD SCHOOL!

We sold out our last school holiday programme in days so we have decided to offer this for FIVE weeks!

During these days, your child/ren will be fully absorbed in nature, have the opportunity to become leaders, become more confident in their abilities to plan, create and finish self-led projects. Being around our farm animals also gives them the opportunity to love, care and respect them as well as care for them, which has research based benefits for all children.

We have an unheard of ratio of 1:8 children and are offering this programme for children aged between 4.5 and 12 years old.
