Friday 6th December 2019

Dear Parents, Students and Community,

This week our Year 4, 5 and 6 students had their sleep over at the school. Tents were pitched, camp food was cooked, children showed off their talent at the Talent Show, spotlight was played, marshmallows were cooked over the campfire, some slept, breakfast was made and tents were brought back down. It's also worth mentioning the first ever 'pancake bake off' at breakfast time. Mrs Malcolm, Mr Carroll and I were lucky enough to be judges. The overall quality was excellent and the decision was difficult. Well done to Kiera Lloyd, Aysha Clark, and Caleigh Edwards for winning the overall prize. A huge thanks to Liam Carroll and June Malcolm for organising and running the evening, and to the wonderful parents who came along to help out. The kids loved it!!

We've also had the Life Education Bus along with Harold the Giraffe in school this week. This is a programme that runs throughout the country looking at Health and Wellbeing issues for the children. The lessons are based around enabling and providing our children with tools needed to have happy and fulfilling lives. Thanks to Nikki Wise for running this programme.

Last night we farewelled Lee Rattray and Chris Bowen from Newstead. Both Lee and Chris have made a significant impact on the students at Newstead School and we will miss them. Thanks to everyone who came along to the evening. We wish them both all the best for their next chapters in their life.

A reminder that our final assembly is next Thursday at 1.00pm at the Vaille Road Car Club. All children will be bused to the event and they will need to be picked up from there after 2pm. Did you know that the letter g can make two different sounds, a 'j' or a 'g' sound, and it usually depends on the letter that follows it? The letters e, i and y make a soft g sound like a 'j' as in words like **gem**, **giant** and **gypsy** or **energy**. Whereas the letters a, o and u make a 'g' sound like in **gap**, **goal**, and **gum**.

School Holiday Programmes

Old MacDonald's Bush and Farm School Holiday Programme

We are so excited to offer our very popular school holiday programme again!

We are located in Morrinsville, but have transport available from NEWSTEAD SCHOOL!

We sold out our last school holiday programme in days so we have decided to offer this for FIVE weeks!

During these days, your child/ren will be fully absorbed in nature, have the opportunity to become leaders, become more confident in their abilities to plan, create and finish self-led projects. Being around our farm animals also gives them the opportunity to love, care and respect them as well as care for them, which has research based benefits for all children.

We have an unheard of ratio of 1:8 children and are offering this programme for children aged between 4.5 and 12 years old.
