Dear Parents, Students and Community,

Thank you to all of the Year 6's who put on another great fair last Friday. We had a number of games going on as well as a massive White Elephant stall. This event is almost entirely student driven so it's a real credit to the kids that they raised well over \$1000 for the school fitness trail. Thanks to June Malcolm for overseeing this event.

This week our school Choir sang carols at St Stephens Church in Tamahere. We do this every year. It was a lovely event and the singing was beautiful. Thanks to Nikki Woodland-Douglas and June Malcolm for leading this and to the parents who came along to help.

Congratulations to our school Flippa Ball team who gained a third placing for the year last weekend. This is a fantastic achievement and something they can be very proud of. Thanks to all the parents who came along to support and help out.

Our children who participate in the Marzipan programme put on their final performance for the year. It's been wonderful seeing kids who enjoy drama and acting getting involved in this. Marzipan will be back next year and run their Wednesday (before school) lessons.

Our final assembly is today. Congratulations to all the children who were acknowledged for excellent and service. It's always a special occasion as we farewell our Year 6's, many of whom started at our school as 5 year olds.

We also had our Helpers Morning Tea last Tuesday. This is an opportunity for the staff and school to say thank you to everyone who has contributed to the school during the year. This included members of the PTA, parent helpers, Ashley and Natalie who look after school property, people from our Life Choices programme, our reliever teachers, and people representing outside of school agencies. Your help and contribution has been much appreciated.

A final reminder that school finishes this Friday at 12.00pm. All children must be picked up at 12 as there is no After School Care or bus.

A final thank you to all of you for making this year another great year. As I said in my Final Assembly speech, the school is in good shape. Our simple goal as a school is to help develop the 'fullest formation' of each learner, in terms of their dispositions, character, capabilities, understandings and skills. We try very hard to achieve this every day. Have a good break and we'll see you in the new year.

Ka nui tēnā mō tēnei wā.

# School Holiday Programmes

## Old MacDonald's Bush and Farm School Holiday Programme

We are so excited to offer our very popular school holiday programme again!

We are located in Morrinsville, but have transport available from NEWSTEAD SCHOOL!

We sold out our last school holiday programme in days so we have decided to offer this for FIVE weeks!

During these days, your child/ren will be fully absorbed in nature, have the opportunity to become leaders, become more confident in their abilities to plan, create and finish self-led projects. Being around our farm animals also gives them the opportunity to love, care and respect them as well as care for them, which has research based benefits for all children.

We have an unheard of ratio of 1:8 children and are offering this programme for children aged between 4.5 and 12 years old.
