Copy of Vaccination Certificate

Dear Parent/Caregiver,

As you will be aware, there have been outbreaks of measles in both the Auckland and Waikato areas over the last few weeks. As a result, the Waikato District Health Board have asked all schools in the Waikato to ensure their records of children who have either had or not had the measles vaccine be as up to date as possible.

It is the requirement of any school, under the Education Act, to have records of every child's vaccination certificate or record.

Our records show that we do not have a copy of _____ vaccination certificate or record.

We would appreciate you either emailing (office@newstead.school.nz) or bringing in your child's immunisation records into the office so we can make a copy. These records can be obtained either by contacting your GP and requesting a printed copy or it can be found at the back of your child's plunket book.

If you have chosen not to vaccinate your child can you please tick this box.

Your cooperation with this is much appreciated.

Kind Regards

Drew Campbell - Principal
