Friday 28th February 2020

Dear Whanau and Students,

Thank you to everyone who came along to our annual Family BBQ which we hold at the beginning of the year. The kids had fun playing on the water slide, playing cricket, tug of war, and climbing on the new Fitness Trail. Special thanks to Tony Lee and Mike Orum for the music and to our wonderful PTA for looking after the sausage sizzle.

We will be putting up an 'Events Notice Board' soon around the garden area at the back of the car park. This will highlight events that are coming up. In the meantime, you can find out what's going on at the school through our website, our facebook page, seesaw and email notifications.

Well done to our Touch Rugby team who participated in the annual Galaxy touch Tournament at Swarbrick Park last Friday. The team was in a challenging pool of teams but they represented our school well. Thanks to Liam Carroll for managing the team, Angela Messam for coaching, and to the parents who came along to support.

Over the last few weeks we've had 'cricket taster' sessions from Northern Districts Cricket Association at our school. The kids have all enjoyed this opportunity to learn new skills including throwing and catching.

Next week is a busy week for our Junior School. We have our Country Cluster Junior Tabloids, held at Tamahere Model Country School, next Thursday 5th March and then our Junior Water Fun Day, held here at school, on Friday 6th March.

A reminder that we will have a camp meeting for all parents coming to camp to help next Tuesday 3rd March at 6.00pm. We're all looking forward to our annual Yr 4 - 6 camp which will be on March 11 - 13th at Kauaeranga Valley. One of our main missions as a school is to provide opportunities for our students to learn and grow. Camp is one of these opportunities.

We are currently in the process of looking for new members to join our PTA. As Amy Hale, Co-chairperson, said at the Family BBQ, our PTA raises around \$20000 per annum for our school. This is money we would not normally get as schools like ours receive minimal funding from the government. This money goes straight back into the school in the form of learning resources and other specific fundraising projects like our Fitness Trail. The PTA also provides opportunities for our community to get together. The PTA committee meets twice a term from 7.00 - 9.00 pm. If you are unable to join the committee, we would love help this year for a 'working bee', set down for early Term 2, and for our Ag Day/Gala which is on Saturday 17th October.

School News

Continued from front page...

This week we welcomed our CUSP students from the Faculty of Education at Waikato University. This year we have ten first year trainees who will be spending Thursday's in our school. We had a whakatau for them yesterday and they have already settled in very well.

All the best for the weekend.

Cricket Report:

Game 2 vs Matangi Magic

The Red Hawk's took on their country neighbours the Matangi Magic and found themselves batting after losing the toss. All the Red Hawks batsmen made the most of a very quick outfield with several boundaries hit with Xander, Zoe and Theo all hitting legitimate deliveries to the boundary. Sophia and Rylee had a partnership of 21 while Xander and Ashley, and then Charlotte and Harrison both added 19 runs together. Paige 10, Harrison 7, Xander 9, Ashley 10, Zoe 7, Theo 8, Sophia 12, Rylee 9, Charlotte 9 and Harrison batting a second time 10). The innings ending after 10 overs with the score 91/7. In reply the Magic batsmen also enjoyed the quick outfield with several of the Red Hawks bowlers struggling to get their lines right with the Magic batsmen striking twelve boundaries off the batting tee after wides were bowled. Ashley 1/3 was the pick of the bowlers and was well supported by Paige 1/5 and Rylee 0/7 also bowled economically. The Magic eventually finished their innings at 97/2 from 9 overs. Final scores were Newstead 56 and Matangi 87, a win to Matangi by 31 runs. Sophia and Ashley were named Players of the Day, Sophia for scoring 12 runs and her all-round enthusiasm in the field, making stops and chasing several balls and to Ashley for her accurate bowling and innings of 10 runs.

Your PTA needs you...

This last year has seen many families leave Newstead as their children move on and so we are looking for new recruits to help us with the PTA.

The PTA has helped fundraise for many things around the school over the years from the playground, to the shade sails and to our latest installation the Fitness Trial.

We want to continue to support our school and help to make it a happy, safe and fun learning environment for our children.

The current Treasurer Helen works at After School Care and would be happy to chat if you want to sound her out about what is involved.

It's a great way to meet other parents too.

Come along to our next meeting in the Staff Room at School Monday 30th March as we would love to see you.

Thanks

MUSIC LESSONS AT SCHOOL

www.shutterstock.com · 559416970

We are very fortunate to have a fabulous music teacher available to come into school to teach piano, singing and theory lessons. Spaces are now available.

Beverley Pullon holds a Doctorate in Musical Arts. She has been teaching for many years and has a vast amount of experience to pass on to our children.

Lessons are currently available on Wednesday during the school day.

For more information please contact **Beverley** directly on **0274257235**, or speak to Amanda Briston, Lucy's mum.

Registration for School Soccer

It's that time of year again!
Soccer season is about to start again - 1st match on Sat 2nd May.

The Waikato Soccer Association (WaiBOP) will be continuing to have single sex teams from U7 upwards. i.e. girl's teams and boy's teams. This is to improve player development and confidence with the game. This is part of the NZ football national framework and the Waikato region is the last in the country to make this change from mixed sex teams. Just Kicks (4-6yr) soccer is not affected and will continue to be mixed sex teams for the moment but this could change. If we do not have enough team members to form a single sex team then we will have to field mixed teams into the boy's league.

We are hoping to have teams in each year group as we have done in the past, but if we do not have enough children to form a team then your child might **either** have to play in a different grade, in a mixed team **OR** have to play for the Hillcrest United Soccer club, based at Janssen park, or Claudeland Rovers Soccer club, based at Galloway Park.

We need to have an **early** idea of how many children will be playing soccer this year in order to put the teams together as quickly as possible. **Can all parents please get forms in by 28th February at the latest please.** Teams have to be registered before the end of term 1.

*We are aiming to keep the subs at **\$55/player** this year but will confirm once numbers are through.*
