

COVID - 19 UPDATE

16th April 2020

Dear Parents and Whanau,

Today the Government outlined further details of what Alert level 3 will look like when we move out of Level 4.

The important points for schools are:

At Alert Level 3:

- People are instructed to stay home in their bubble other than for essential personal movement - including to go to work, **school if they have to** or for local recreation.
- Physical distancing of two metres outside home, or **one metre** in controlled environments like **schools** and workplaces.
- Schools (years 1 to 10) and Early /childhood Education centres can safely open, but will have **limited capacity**. Children **should** learn at home if possible.
(taken from the Government website)

The Ministry of Education contacted me this evening to say that, over the next few days, they will be working through the finer details of what this means for schools. I will provide further updates for you as they come in.

Keep safe and be kind to one another.

Ngā mihi

Drew Campbell - Principal
