Hi Everyone,

We are launching a new way to pay at school - kindo.

With kindo you will be able to keep track of items owing and pay off 'purchases' like donation or camp. You will also be able to use your credit card if you like.

Please try and register in the next week or so. If you have problems let the office know and we can try and sort it out.

PTA News

Fundraising Plans 2020

In the light of the current COVID-19 response, the PTA will need to review and potentially reconsider the events on the fundraising calendar for the remainder of this year. We will address this during our next meeting on **Monday the 8th June at 7:00pm**. The committee needs a new injection of members! Please feel free to come along to this meeting if you would like to get involved in any capacity. The meeting is held in the school staff room.

PTA Secretary Wanted!

Our current PTA Secretary's tour of duty has now sadly come to an end. We are seeking an injection of new blood with skills to help the PTA run smoothly. This requires good organisational and communication skills and being able to meet deadlines. The Secretary ensures all records are kept in an organised manner.

Secretary duties:

- * Co-ordinate meetings, take and distribute agenda and minutes
- * Keep the community informed of meeting dates
- * Monitor and respond to PTA correspondence
- * Support fundraising events
- * Estimate 2 hours per month on PTA business and attendance at PTA meetings

Please email pta@newstead.school.nz if you need to know more!

Star Soccer

Start Turf reboots it's Term 2 Star Soccer sessions from MONDAY 25 MAY and will run for 6 weeks until FRIDAY 5th JULY.

Details about the sessions, and the timetable can be found on our web site by clicking [HERE](#).

It is important the you confirm your attendance as soon as possible.

If you're a returning player, just email us and we can make the booking on your behalf.

Star Soccer is open for boys and girls.

There are an array of sessions per week for various ability levels, but the number of players per session is limited in order to maintain the high quality of coaching given to the players attending.

The sessions are ability based but players will start at a Level appropriate to their age:

Level 1 : 5 to 7 years of age

Level 2 - Level 4 : 8 to 13+ years of age

All sessions last for no more than 60 minutes.

If you would like to inquire about our Youth Goalkeeping sessions, please get in touch.

Senior 5-a-side Indoor Football Leagues

This email is being sent out before the scheduled update by the our Government due today, which will hopefully (fingers crossed) lower the restrictions or Alert Level, or at a minimum increase the number of participants in a group or gathering higher than 10 - to allow us to resume more fully.

We still have openings in our Tuesday and Thursday senior 5-a-side Indoor Leagues leagues for more teams, so if you know of anyone who may be interested in forming a team and joining one of those leagues - please get in touch ASAP.

Depending on the outcome of the update, we are hoping to resume the leagues, starting with the Sunday league from Sunday 31st May.

Things are of course still subject to change, and given that, things maybe somewhat different when you visit the centre.

Although we will do our best to ensure we adhere to the guidelines there is still a massive of level of Personal Responsibility that will need to be undertaken by our customers.

This will very likely to include things like ALL visitors signing in when entering the centre and trying as much as possible to adhere to the social distancing guidelines between different groups while in the centre, staying home if you feel unwell, and washing your hands before you enter the centre, and being respectful of the facilities and others by leaving all bags, drink bottles etc. off of the pitch (this is nothing new) and picking up your used bottles, rubbish after yourself and placing them in the bins provided or taking them home with you.

We will in touch again shortly, and continue to provide as much information about updates to our program and leagues as soon as possible via email and of course our Facebook page.

Please stay safe and abide by the recommendations from the Ministry of Health and our Government.

As always, we encourage you to let us know your thoughts and welcome your feedback, comments and questions.

See you on the turf!

MUSIC LESSONS AT SCHOOL

We are very fortunate to have a fabulous music teacher available to come into school to teach piano, singing and theory lessons. Spaces are now available.

Beverley Pullon holds a Doctorate in Musical Arts. She has been teaching for many years and has a vast amount of experience to pass on to our children.

Lessons are currently available on Wednesday during the school day.

For more information please contact **Beverley** directly on **0274257235**, or speak to Amanda Briston, Lucy's mum.

We're back!

I KNOW, I THINK, I WONDER

It is extremely important that children know what their multiplication tables look like. They should know that although 5×7 and 7×5 have the same answer how they look is very different.

Vs

However, once they know what they look like and they can explain it to you they need to learn the answer off by heart. By the end of Year Six they should know all of their multiplication and division facts up to 10×10 .

Find out more about our mathematics programme and how we can help your child.
