Friday 26th June 2020

Dear Whanau and Students,

It was great having a number of young preschoolers, who are starting their primary school journey with us, come and visit last Wednesday. We have twelve children coming to us next term. We are a growing school, which is great, and the Board of Trustees are already working with the Ministry of Education on getting some new classrooms later next year. Watch this space!

School Photos

A reminder that our annual class, individual and sports photos are next Tuesday 30th June here at school. A notice went out this week and Chrissy will put out another reminder on Monday.

Learning Conferences

Our annual Learning Conferences are next Thursday 2nd July. School will close for instruction at 12.00pm. After School Care will start from the earlier time of 12.30pm. A reminder that our Learning Conferences are only ten minutes. As always, you are welcome to meet with your child's teacher at any time during the year if you need longer.

School Production

We're thrilled to announce that we will be proceeding with our school production, "Rock Bottom" next term. We aim to do school productions every second year. June Malcolm and Liam Carroll have already started auditions. Further details will come out early next term but please put the evenings of 22nd - 24th September (last week of Term 3) down in your diary. We're really excited about this!

Lost Property

Next week is your last week to claim the lost property that is put out each day. Any unclaimed items will be washed and sent to a charity in the holidays. Thank you to the parents who name their child's clothing. If it is named, we get the clothing item straight back to the child.

All the best for the weekend.

Ka nui tēnā mō tēnei wā.

It is important to reinforce your child's basic facts. One good way to do this is with the Hit the Button App. This app spans 5 to 11 year olds basic facts and costs a huge \$5. I would highly recommend using this with your children as a little work every day on their basic facts will make the world of difference. You can find it at <https://www.topmarks.co.uk/maths-games/hit-the-button>

STAR TURF INDOOR FOOTBALL CENTRE
www.starturfindoorfootballcentre.com

Hi Team,

Firstly, if you haven't yet caught up with the news... The 2023 FIFA Women's World Cup is coming to New Zealand and Australia!

This is MASSIVE and should be a real boost to the game in this country.

Congratulations to all of those people who worked on and supported the bid - can't wait to see some of the best players in the world in our neck of the woods.

It's certainly should something to aspire to for all our young players.

Holiday Programs

The Term 2 school holidays are almost upon us and in a new initiative for 2020, Star Turf will be offering 2 different options for our very popular Holiday Programs.

We will still be running our usual Foundation Football based holiday program for less experienced players which is very much focused on developing your child's football techniques and skill.

Participants still get to play football games, work on their fitness and learn new skills, but we will also provide a few non-football based activities to break up the day.

A new and exciting program we will introducing during the Term 2 school holidays is the Kick Start : Advance Player Program aimed at more experienced players with a high skill level already to participate in an intensive, totally football based program, that will teach the more serious player things they actually need to know, hone their existing skills and teach new ones in all aspects of the game.

These sessions are ideally suited to players born in 2007 to 2011 (9 to 13 years) playing in the highest teams in their grade, looking to hit the ground running into the new season.

Our Foundation Football Program is suitable for both boys and girls, aged from 5 to 13 years old.

Participants can come for the week or just odd days - whichever suits your needs.

Beginner or novice footballers are most welcome to attend the Foundation Football Program.

The Foundation Football program fee is \$30 per day and runs from 9:00 am to 3:00 pm each day.

Spaces are limited to 20 participants per day.

Our Kick Start : Advanced Player Program is suitable for both boys and girls, aged from 9 to 13 years old.

Participants can come for the week or just odd days - whichever suits your needs.

This program will be aimed at the players playing in the top teams in their age group.

The Kick Start : Advanced Player Program fee is \$45 per day and runs from 9:00 am to 3:00 pm each day.

Spaces are limited to 20 players per day.

Every player that participates in the Kick Start : Advanced Player Program goes in the draw to win a \$100 Soccer Shop gift voucher.

We also provide a "late pick-up service" from 3:15 pm to 5.30 pm at an extra cost.

These days and times are filling up pretty quickly, so if you would like to secure a spot, please book us [HERE](#).

There is lots more detail to come about most of what we mentioned above, so look out for that both on the web site, our Facebook page and directly into you inbox.
