

COVID - 19 UPDATE

14 September 2020

Dear Parents and Whanau,

Level 1 - Production Update

The Government announced today that in principle, Cabinet has agreed that every region, with the exception of Auckland, will move to Alert Level 1 as from 11.59 PM on Monday 21st September. This means that at this stage we will be able to continue with our three performances at the Eureka Hall as planned. We're very excited about this.

Please keep an eye out for further messages regarding Production to come out this week. They will be in their usual yellow hard copy and on Seesaw.

Ngā mihi

Drew Campbell - Principal
