Dear Parents, Community and Students,

Congratulations to everyone who participated in our Cross Country last Friday. It was fantastic to see 'awesome attitudes' on display. Well done to all the place getters, in particular Harry Kilmister and Bella Cochrane who received the Hallam Family Trophy for Senior Boys Cross Country Champion and the Coombes Family Trophy for Senior Girls Cross Country Champion. Results are in the newsletter. A big thank you to Liam Carroll for organising the event and to all the helpers on the day. I would also like to acknowledge the Don Family who happily let us use their paddocks. The Country Schools Cross Country, for years 4,5 and 6 students, has been postponed to next Friday 30th August.

We're starting to gear up for our annual Agricultural Day which will be held on Saturday 19th October. We are combining this event with our Flower Show and Arts and Crafts competition which is on Friday 18th October. Both Marg Clark and Tracey Monehan are working behind the scenes to make this a positive experience for everyone. **The Flower Show is run at school therefore there is an expectation that all children participate in it. The work for the Arts and Crafts Competition is done at home therefore there is no compulsion to participate in this, however we want to encourage as many children as possible to take part, in particular the children who are not participating in the Ag Day.** The October holidays are an ideal time for children to put on their creative hats and come up with their wonderful creations. Tracey will be communicating with the kids about the activities over the next few weeks.

## School News

from font page...

As from next week, a 'Kiss and Go, Mornings Only' sign will be put up each day on the gravel part of our carpark. We have had an issue over the last couple of years of parents wanting to drop their kids off in the mornings by the gate but have been unable to do this due to other cars parking there. In the interests of child safety, we ask that any parents wanting to leave their car and take their child into school, in the morning, park in the carpark. Parents wanting to drop their child off by the gate and then drive off can use the 'Kiss and Go' area. Please note, this is for **mornings only**. The afternoon pick up time will remain the same. Thanks for your cooperation with this.

Have a great weekend.

## Hamilton Section

12 August 2019

### One-day closure of Ruakura Road at bridge site

On Saturday 31 August, Ruakura Road will be closed under the East Coast Main Trunk rail bridge. The closure will allow steel roadside barriers to be safely installed under the bridge.

The road closure will be in place from 6.00am to 7.00pm but the road will reopen earlier if the work is completed earlier. Access for residents will be maintained at all times.

Ruakura Road will be closed to through traffic at the Silverdale Road roundabout and at the Holland Road intersection. Residents will still be allowed access to their properties. The traffic detour will be via Silverdale Road and SH26-Morrinsville Road.

If this work is cancelled due to bad weather, it will be carried out the following Saturday 7 September.

## NEWS FROM YOUR WAIKATO DISTRICT COUNCILLOR

**Congratulations to Bernie and Kaye Crosby**, founders of Prolife Foods, who this week were inducted into the Business Hall of Fame. This is further, and well deserved, recognition of this innovative couple's outstanding achievements and services to business. They also contribute much to the community with no wish for recognition.

An update on the Vaile Road footpath - I have now managed to get a concrete footpath, which will run from the corner of Vaile and Ruakura Roads to the existing concrete footpath which starts at the childcare centre, into Council's footpath programme (approx. 925 metres).

**Our Annual Plan 2019-20 was recently completed.** The June issue of Council's newsletter, *Link*, gives a snapshot of *What Council Does*. I have requested a copy of the full document – contact me if you would like to borrow it. Waikato District Council maintains 1,836km of sealed roads and 241km of footpaths. A lot of contact I have with ratepayers concerns road maintenance and requests for new footpaths and cycle ways. I contact the appropriate department re all maintenance and new infrastructure, but maintaining existing infrastructure is a major part of a very stretched budget and our budget for new works is equally stretched as the district's rural population continues to grow very rapidly. We also have 600 km of unsealed roads, so Eureka Ward is very fortunate that 99% of the roads in the Ward are sealed. When the Expressway is completed many roads e.g. SH1b between Taupiri and Cambridge, will revert to B (local) roads and will be returned to Council to be maintained.

You can now register your dog/s online <https://www.waikatodistrict.govt.nz/services-facilities/animal-control/dog-registrations>. All dogs are now required by law to be microchipped and registered with their local council from the month that the dog turns three months old, or arrives in New Zealand. Last financial year 14,812 dogs were registered in the Waikato District so a lot of paperwork can be saved if you register online.

To apply online, your pet needs to be microchipped and the microchip number must be included on your application form. To complete the application form, you need to have the following details available:

- Dog details
- Previous registration details
- Microchip number
- Desexing certificate.

During the school holidays I was approached by a family who undertook a project with their family to remove rubbish from road reserves in Puketaha. They did a great job and I was able to get them some complimentary rubbish stickers to cover the cost of rubbish removal.

This could be a good project for other community groups but Council's Waste Minimisation Officer, Pat, had some concerns about safety issues when clearing rubbish from road reserves, particularly on busy main roads. She commented - *if a community wish to keep their community litter free and would like support from Council to run a similar initiative, we need to know well ahead of time to ensure that all planned work can be carried out in a safe manner. Giving Council due notice also provides us the opportunity to get traffic management in place if that is appropriate for the area. Sufficient planning ensures we can all have a positive experience. Additionally, some resources to help plan for events like these – great learning resources too.* <https://www.knzh.org.nz/clean-up-week-2019/>

Pat also asked residents to remember that any glass should be put into your recycling crates and not in the general rubbish. She also gave me some interesting facts on the wider world of waste management. Central Government is presently working on or considering:

- Product stewardship for waste and tyres
- Reviewing the waste levy - the \$10 per tonne is likely to increase
- A container deposit legislation- remember when you got a refund on your bottles?

I noticed on Council's website that you can choose to receive your rates invoices by email – go to <https://www.waikatodistrict.govt.nz/services-facilities/rates/sign-up-to-receive-your-rates-invoice-by-email> - you just have to answer a few questions and Council will organise the change.

"Guess what? Marrzipan Drama are running awesome self-confidence building sessions at your school!

Marrzipan have gained a huge reputation in New Zealand for the development of shy children, especially those with anxiety, autism and selective mutism. Saying that, this is a class for the super crazy and dramatic types too as we focus on positive leadership and social skills. Our classes focus on inner and outer self-confidence, and are super fun and exciting for children. Parents are kept up to date with weekly emails about what's been covered in class and why, as well as what you can work on at home. We have two awesome showcases at the end of every term too, so you can see your child's development first hand as they perform in one of our termly productions.

Get in touch via our website to secure your child's space for a **no-obligation trial class**, or call our superstar Office Team to give you the lowdown on why your child simply **MUST** give it a go.

Head to [www.marrzipandrama.co.nz](http://www.marrzipandrama.co.nz) and click REGISTER, or call 027 521 7352. See you there!"
