Friday 1 November 2019

Dear Parents, Students and Community,

Last Wednesday, members of the Board of Trustees, our Whanau group, staff and teacher trainees had the privilege of spending time with members of the local Ngāti Hauā iwi at their Te Iti o Hauā marae in Tauwhare Pa. After our pōwhiri (welcome) and sharing of kai (food), we had the opportunity to sit down together, introduce ourselves (whakawhanaungatanga), and learn about some of the rich history of Ngāti Hauā, its people and the land. We look forward to continuing our links with the iwi and teaching our children more of the history of our area. I'd like to thank Fred Haimona and Raylene Walters for their warm welcome. It was a really special afternoon for us and our school.

We've had quite a bit of success over the last week. Our children won the Amazing Race event held at Hamilton Gardens last Friday. This event has a number of 'pitstop leadership' challenges that include physical, cognitive and creative tasks that each team has to do. Our school came first out of 47 teams. Thanks to Liam Carroll and the parents who went along and supported the kids.

We also experienced success at the annual Country Schools Tee Ball held at Tauwhare School yesterday. We entered three mixed ability teams and gained a first and second placing in the whole event. Again, thanks to Liam Carroll and June Malcolm for all their training, our wonderful teacher trainees for helping out on the day, and to all the parents who came along to support and help. Next week, we will be sending two teams to the City Schools Tee Ball which is a more competitive event.

We are now seeking nominations for our Sports Award that will be handed out in our final assembly. If your child is in Year 6 and you would like to nominate them for the Sports Award, please email me at principal@newstead.school.nz by 4pm on Friday 15th November. Your nomination needs to include placings in school events as well as any representative teams they have been part of or any placings at representative level outside of school.

Our wonderful first year trainees will be finishing with us today. They have been learning their trade at our school all year and have been on practicum for the last three weeks. They've been a great group and we've really enjoyed helping them start their journey in this great profession. We wish them all the best for their future.

Have a great weekend everyone!

Ka nui tēnā mō tēnei wā.

Drew Campbell - Principal

Guitar ukulele drum lessons available now at Newstead School

Would your child like to learn to play a musical instrument? Enrol your child in the music lessons they have always wanted to do.

MusiqHub is excited to be able to provide top quality guitar, ukulele and drum lessons for students at Newstead Model School in Term 4.

Did you know students who learn a musical instrument get better marks in other subjects? And that music helps with brain development?

Research has shown "learning a musical instrument is associated with better cognitive skills and school grades as well as higher conscientiousness, openness, and ambition."

Sign your child up to learn a musical instrument and they'll learn skills for life, and not just musical ones. They'll acquire increased coordination, memory, and confidence, improved concentration and self expression, and many other valuable traits.

CARL WATKINS - MUSIQHUB MANAGER

Carl is a musician with over 20 years experience in the music industry, as a writer, performer and recording artist. He has a Master of Music, specialising in composition, and has performed in NZ and Australia. Carl has been tutoring for MusiqHub for over 5 years. Last year he bought his own franchise and is enjoying the challenge of delivering top quality music lessons to Waikato primary school students. Carl is a trained vocalist, who taught himself to play guitar, ukulele and piano. He writes for orchestra and rock ensembles and is an avid actor, having performed in major productions in all of Hamilton's major theatres.

Lessons are 1/2 an hour long. Keyboards are provided at lesson time but students are required to have their own keyboards for home practice. Guitar and ukulele students are required to have their own instruments.

Costs (GST inclusive). Small Group Tuition \$18.00 - \$22.00 per lesson on a term-by-term basis. Individual lessons \$31.00 per lesson on a term-by-term basis (limited availability).

Music tuition books are \$33.00 each. To register or for more information, contact us via:

Tamahere Model Country School:

We are very pleased to announce that we have secured **Hamilton Aquatics** to run their **swim school and squad training** in our Tamahere Vela Pool this summer. Hamilton Aquatics is a newly formed **merger between Hillcrest and Ace** - both historically very good swim clubs.

We would like to extend an invitation to our neighbouring schools, in case your families are wanting to enrol in swim school and squad training for their children in the local area. Please see the Hamilton Aquatics Flyer attached.

Hamilton Aquatics Learn To Swim & Squad Program - attached.

As this is an initial outline, some times and lessons may be changed, depending on demand. Swimming lessons will commence in Week 6 and during Week 5 Hamilton Aquatics will be carrying out assessments to ensure that they place the swimmers in the most appropriate training groups.

If you are wishing your child/ren to be involved in swim coaching and before school squad training at our school this season, please email hamiltonaquatics@gmail.com.

We also allow community use of our Tamahere Vela Pool Complex. We are happy to share this opportunity with our neighbouring schools also. For those of you interested in swimming at the Tamahere Vela Pool Complex out of school hours, please see the information attached from the Pool Committee.

There are two options available:

- 1. Join the Tamahere Swimming Club if you wish to swim lengths for the season, or
- 2. Purchase a concession card so you can take your family/friends on casual swims.

The other is Community Use and this is for those who wish to use the pool inside of the managed hours. There is no membership for community use this year, instead we have 2 concession card options. We also have a one-off swim option as well.
