Friday 6th August 2021

Dear Parents and Whanau,

Siblings coming to Newstead in 2022

We are already starting to plan for 2022. Part of this is looking at projected numbers of students starting school in 2022. If there are any parents who have siblings of current students, both out of zone and in zone, who will be starting school in 2022, please notify Chrissy in the office.

Jump Jam Competition

Congratulations to our Jump Jam teams Roses (Victoria, Olivia, Luca, Jennifer, Sophie, Kathleen, Jamie, Brooke and Zoe) and Fireflies (Maria, Elesha, Saskia, Rylee, Lily, Brea, Emma and Tayla). Both teams performed very well on the day and made us very proud. The Roses team came 2nd overall and the Fireflies came 4th. Thank you to staff Renee and June for giving up their time to coach and manage the teams.

Roll Growth Building

The last few weeks have seen very little progress but things are about to ramp up over the next two weeks. The contractors are saying they are still on track for the building to be finished so the students can move in at the beginning of next term.

Ngaa mihi

Tony Mangan - Acting Principal

Friday 22nd October 2021

Dear Children and Parents

Plans are underway for our Arts and Crafts and Agriculture days, which will be held on
Friday 22nd October

Details regarding **Rearing a Calf, Lamb or Kid** are available [here](#)

Information regarding Arts and Crafts will be sent out in the coming weeks

Important information regarding Calves

Please note that with Calves being eligible to return to Waikato Ag day events, there are some stipulations that will need to be followed for your child to show their calf at Ag Day this year:

As M-Bovis is still present in NZ there will be a number of items to be addressed by each student/calf.

- 1) All calves MUST have a NAIT tag in RIGHT ear
- 2) All calves to have an "[Animal Status Declaration Form](#)" when entering school grounds. The NAIT no. must be the number allotted to the property that the calf leaves from on show day
- 3) Calf/Student and supporters to pass through a Biosecurity pathway when entering calf show area.

To register a Calf, Lamb, Kid or Caged Pet please access the entry form on this link [here](#)

Entries close on FRIDAY 3rd SEPTEMBER. No late entries will be accepted this year.

Please contact **Chrissy**:

- If anyone has or knows of anyone who has animals that they would like to sell or lend to children
- Parents if you would like to help in any way with Agricultural Day or have Intermediate aged children who would like to be stewards on the day.

TAKE UP THE CHALLENGE

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

The school works on a subscription basis with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our board of trustees has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at <https://newstead.schooldocs.co.nz> (note that there's no "www."). or [CLICK HERE](#)
