Dear Parents and Whanau,

Siblings coming to Newstead in 2022

We are already starting to plan for 2022. Part of this is looking at projected numbers of students starting school in 2022. If there are any parents who have siblings of current students, both out of zone and in zone, who will be starting school in 2022, please notify Chrissy in the office.

School events

This week the students participated in an Olympics day. The teams were organised across the year levels with the emphasis on cooperation and participation. Our teacher trainee students were able to provide much assistance to ensure the day ran smoothly.

In week five we are holding the school cross country. This year the students will be running on a course that is confined to the Newstead school site (due to our building project). Parents are most welcome to attend and support their child's event. The times for each race will be given closer to the day. From this event students will be chosen for upcoming inter school events.

Teacher only Day

I would just like to remind parents that on Monday the 30th of August (Week 6) we will be holding a Teacher Only Day and school will be closed for instruction.

Ngaa mihi

Tony Mangan - Acting Principal

PTA NEWS

Oxford Pies

Thanks for all the pie orders this week. Even though it was quite close to last term's run we still had lots of orders so thank you. They will be delivered on Tuesday 24th August and can be collected from the Eureka Room at 2.35pm. A massive thank you to Michelle Calcott who runs this for us.

Ceramics workshop

One of our lovely PTA parents has arranged a ceramics workshop for the years 4, 5 & 6. They have managed to get some discounted prices for the clay, the paints and the firing costs for each child to create their own masterpiece, display at Ag Day and then keep and treasure. We are hoping to roll this out to the rest of the school later in the year but logistically we are starting with years 4, 5 and 6. We are asking for \$10 per child to pay towards the firing costs and clay and the PTA will pay the balance.

TAKE UP THE CHALLENGE

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

The school works on a subscription basis with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our board of trustees has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at <https://newstead.schooldocs.co.nz> (note that there's no "www."). or [CLICK HERE](#)
