

It's time to get organised! Newstead will be going to the Junior Tough Guy and Gal Challenge again this year in Hamilton on Thursday 30th June. If your child wants to participate please bring payment (\$25 - online, eftpos, or cash) and permission slip to office by **Friday 3rd June** then we can put the entry in. It will be first in first served for spaces available. A space will only be secured when payment is received. Of course, due to Covid 19, things might change but we will go with what we know now and let you know as soon as we find out anything. Currently, it is still going ahead.

Again this year we will require that you (or a caretaker) accompany your child. We have found that in previous years that this event does require one to one supervision. We had a great time last year and hope to get an even bigger group of Newsteaders this year.

Year 3-4 1.5 km lap

Year 5-8 3km lap

Older siblings not attending Newstead are welcome to join us if we have the space. Please let the office know. Any questions see Chrissy.

TOUGH KIDS CHALLENGE

DUE BACK Friday 3rd June
