Is it hard to get your child to school on time?

Most children are chronically overtired which can mean that they are hard to wake, slow moving, grumpy and unmotivated in the mornings. This often means that mornings are stressful for everyone, they are late to school and you are late to work.

Turn this around and make mornings easier for your family by prioritizing sleep.

I KNOW, I THINK, I WONDER

Āwhinatia tō hapori kia whakaputaina ngā whakairo *Help your community have their say*

Tēna koe

The 2023 General Election will be held in October and we want every eligible New Zealander to enrol and vote.

Voting starts on Monday 2 October and finishes at 7pm on election day, Saturday 14 October.

We'd like your help to get as many New Zealanders as possible to have their say. Let's work together to make that happen.

You can help by [sharing information with your community](#) about enrolling and voting in this year's General Election.

On our website [vote.nz](#) you'll find information and links to resources you can download or order to share in a variety of ways – on social media, on your website, in newsletters or direct communications, or as display materials at your workplace, marae, library, or community centre to help spread the word to your friends, whānau and community.

Resources are available in [different languages](#), [te reo Māori dialects](#), and [alternate formats](#). We'll continue adding new resources to share as the election approaches.

We value your support in helping us make information about enrolling and voting available to your community and encouraging their participation in the 2023 General Election.

Enrol. Vote. Be Heard.
